AVAILABILITY AND DESIRED SHIFTS

If you are younger than 16, you may not work more than 3 hours on a school day, or past 7 pm on a school night. You can only work till 9:00 in the summer. The Wellsville Cone is open from Memorial Day to Labor Day, Monday through Saturday 4:00-9:00. Employees arrive a little early to open and stay a little late for closing work. Shifts are from 3:30-6:30 and 6:30-9:30. I may not always be able to honor preferred shifts or give you as many shifts as you'd like, but I will try.

Are there days or shifts you regularly can't work through the summer? _____

What dates will you be out of town or not able to work? (starting May 30 through September 5)

If applicable, what night does your ward hold mutual? _____

Please answer the following with a range, like 2-6 or 3-4, or even an exact number, like 2. This helps me know if I am under scheduling or overscheduling you. It also helps me to know when I need to hire more help or not.

How many shifts do you hope to work each week? _____

Are you comfortable working alone (there would be someone else in the building somewhere)? _____

Are you comfortable with a double shift (3:30 – 9:30)? _____
